Important dates for the May, 2011 Local Election

Early voting takes place **Monday, May 2 - Tuesday May 10, 2011**.
Early voting locations and hours are listed on pages 38 and 39.

The General Election will take place on **Saturday, May 14, 2011**. Polling locations are listed on page 40-42, however a final list of polling locations can be found at: www.co.fort-bend.tx.us. Click on Elections and then on Election Day Polling Locations.

This impartial Voters' Guide is presented for your assistance by *the write idea*.

An educated citizenry is vital to the election process.

Response to our initial Voters' Guide last November was overwhelmingly positive. This City and School Board Election pamphlet provides you with information about candidates appearing on May 14, 2011 Fort Bend County ballots. It is meant to serve as a resource for Fort Bend county voters.

Every effort was made to include all candidates and to place candidates in the order they will appear on the ballot.

There was no charge to be included in this guide. Content on these pages was taken from candidate websites and campaign handouts and, where possible, sent to the individual candidates for verification.

Candidates were given the opportunity to submit statements (*printed in italics within colored boxes*). We did not correct punctuation, grammar, syntax errors or verify the information. In cases where *the write idea* included information from websites, an attempt was made to contact each candidate and he/she was given the opportunity to proof the information included for accuracy.

Please note that some candidates did not respond to our request for confirmation of their information; a few were unreachable.

This Guide makes no endorsements explicit or implied.

Candidates were given the opportunity to purchase ad space if they wished to expand on the information we included. Ads purchased by candidates are easily identified by format.

This Guide was compiled by *the write idea* as a voter tool. It is being distributed electronically. If you wish to receive a free electronic copy of future editions, please send an email to: **thewriteidea@windstream.net**. Write "**FBCVG**" in the subject line and your copy will be emailed to you before the election.

Sue Hauenstein
the write idea

If you do not have your voter's registration card available, you may use your TX Driver's license as a form of identification.

NOTE: *Readers should be able to visit candidate web sites by clicking on the link included in each entry. This will work for the email addresses also.*

Colors utilized in this Guide have no significance. These are non-partisan races.

Arcola City Election

Council Members serve in At-Large Positions.

You may vote for one, two, three (or none) of the candidates.

The three candidates receiving the greatest number of votes are elected.

City of Sugar Land Charter Amendments

This election includes nine possible changes to the City's charter.

The charter is a document that establishes the form of government for Sugar Land.

This includes provisions for a council-manager form of government, legislative authority of City Council, general elections provisions, finance provisions and several other areas outlining the governing of Sugar Land.

The charter can only be amended, added to or repealed by a majority of voters.

The charter is available online at www.sugarlandtx.gov/city_hall/city_secretary/cosl_charter/index.asp.

The propositions as they will read on the ballot:

PROPOSITION NO. 1: Section 1.09 (f) of the City Charter now prohibits persons residing in an area annexed by the City for limited purposes from voting in city elections. A recent change in State law now allows those persons to vote in City elections. Should Section 1.09 (f) be repealed to comply with State law?

PROPOSITION NO. 2: Section 2.01 (d) of the City Charter now provides that a person elected to city council takes office at the council meeting following the meeting at which the council declares the election results. Should the Charter be amended to provide that a person elected to city council takes office at the meeting at which the city council declares the election results?

PROPOSITION NO. 3: Sections 3.01 and 3.02 of the City Charter now require that initiative and referendum petitions be signed by registered voters "equal in number to at least 30% of those voting in the last regular city election." Should those sections be amended to require that initiative and referendum petitions be signed by at least 10% of the City's registered voters?

PROPOSITION NO. 4: Section 3.08 of the City Charter allows the city council to repeal an initiative ordinance two years following its adoption by a two-thirds vote of city council. However, Section 3.10 allows the city council (by majority vote) to repeal the initiative ordinance after six months following its adoption. Should the conflict in the two Sections be resolved by deleting Section 3.08 and amending Section 3.10 to allow the city council to repeal an initiative ordinance after one year following its adoption?

PROPOSITION NO. 5: Section 3.10 of the City Charter now allows the city council to re-enact an ordinance six months following its repeal by the voters in a referendum election. Should Section 3.10 be amended to allow the city council to re-enact the repealed ordinance after one year following its repeal?

PROPOSITION NO. 6: Section 3.13 of the City Charter now requires that a recall petition requesting city council to hold an election on whether to remove the mayor or a council member from office be signed by 25% of the city's registered voters. Should Section 3.13 be amended to reduce the number of required signatures on a recall petition to 20% of the city's registered voters?

PROPOSITION NO. 7: Article III of the City Charter establishes procedures for the use of the initiative, referendum, and recall procedures. Should Article III be revised to: (1) provide for a more logical order; (2) conform to State laws; (3) provide for uniform petition requirements; (4) require that petition signatures be collected within 45 days; and (5) provide for modern language, usage, and style?

PROPOSITION NO. 8: Section 4.02 of the City Charter now provides for the city manager to appoint and terminate the city secretary. Should Section 4.02 be amended to provide that the city council must consent to the city manager's appointment or termination of the city secretary?

PROPOSITION NO. 9: Section 4.03 of the City Charter now provides for the city manager to appoint and terminate the city attorney. Should Section 4.03 be amended to provide that the city council must consent to the city manager's appointment or termination of the city attorney and to provide that the city attorney will exercise independent professional judgment in providing legal services to the city?

Limit class size ϕ Spend Money on teachers and classrooms first ϕ Advocate for fair and equitable distribution of resources ϕ Promote teacher accountability without “teaching to the test” ϕ Ensure that curriculum prepares ALL students for college ϕ Encourage transparency in governance and management of FBISD

Fort Bend ISD - Position 1

Candidates for Position 1 must reside on the west side of the school district.
All positions in Fort Bend ISD represent **ALL** neighborhoods of the school district.

School Board members serve a three year term.

There are no term limits.

The board decides in which direction they want the district to go.
They are responsible for hiring a Superintendent to run the district.
www.fortbendisd.com

Susan Hohnbaum-Incumbent

The District is rated Recognized by the TEA & continues to improve academically. We are exemplary bound. We need to keep doing what's working - the best practices, and focus resources on areas that need improvement. Only the best strategies need to be used to address unique campus needs for continuous academic improvement.

Wade Watassek

In light of the current economic situation, Fiscal Responsibility should be a top priority. The people need a strong leadership team that understands how to work together & make the best decisions for our community. It is essential that the Board of Trustees has a clear understanding of the direction & mission of this district.

have no significance.*

Lamar Consolidated - District 4

Due to a state mandate and ruling from the Attorney General's office stating that school districts must hold trustee elections on the same uniform election date as the election for government officials of municipalities located in the school district or during the general election

for state and county officials, LCISD has changed its election cycle.

The school board trustees now have four-year trustee terms to coincide with Rosenberg's odd-year election schedule.

This election completes the change with all Trustees being elected to a four year term.

To determine which race you vote in, go to:

www.lcisd.org/Libraries/BoardOfTrustees/2011_Election_Order_and_Notice.sflb.ashx

www.lcisd.org

Julie Thompson-Incumbent

Jamie Rhea Dozier

Julie Thompson is a high school science teacher in Fort Bend ISD and represents one of the fastest growing areas of the District. "Even though we often have varied opinions on how to handle an issue, we ultimately agree on the same conclusion, and that is what is best for kids."

My career in a global exploration company has allowed me to travel extensively around the world and see the challenges and competition that our students will face. My experience will allow me to support the students and staff in LCISD and ensure that their education and safety are our first priority.

www.lcisd.org

Robert L. "Bob" Thomas

Bob's platform is to represent the people of the district on zoning/policies; uphold the notion of neighborhood schools & family involvement and to be fiscally conservative with funds. Having young children in LCISD, he knows what is actually happening in the classroom instead of discussing it in the boardroom.

Dar Hakimzadeh

I have three major issues. It is very important to the education of our children, that parents are involved in our schools. One way to encourage parental involvement is to zone students to the closest schools available. Another issue is fiscal responsibility and ultimately holding down the tax rate.
